

Crystal Creek Homes + Calgary Health Foundation Hospital Home Lottery

Crystal Creek Homes is proud to continue our partnership with the Calgary Health Foundation Hospital Home Lottery for 2026.

This year, we are honoured to be the builder of the Grand Prize Showhome at The Pointe in Legacy, marking our fourth year supporting the lottery. Proceeds will help fund the Westman Family Seniors' Emergency Pod, improving care, comfort and safety for older adults in the emergency department.

For more than 20 years, Crystal Creek Homes has built homes rooted in passion, innovation and quality. With more than 1,000 homeowners welcomed into our communities, we are grateful for the dedicated staff, partners, trades and suppliers who make our work possible.

We are proud to build award-winning homes, create thriving communities and give back to the city we call home.
